

ESTATE ADMINISTRATION PROCESS SYMPATHY CARDS

The passing of a loved one is one of the most difficult things to endure in this lifetime. Chances are, if you are working with someone who recently had a loved one pass away, you're working with someone who just lost their spouse, parent or possibly their sibling. This is a very difficult and tumultuous time for these people, which is why it has been a long-time practice of our firm, Kavesh, Minor & Otis, to send out sympathy cards upon learning of the passing of a client (or the client of another attorneys' trust who wants our firm to assist their family with the administration of that trust).

We recommend bulk ordering branded sympathy cards that can be sent out to your clients following their initial notification of the decedent's passing. This card has no other type of promotional push or messaging other than simply to extend our sympathies.

"With heartfelt condolences and kindest thoughts in your time of sorrow."

With signatures by the lawyer and/or those in the Estate Administration Department.

Consider purchasing your branded sympathy cards for CardsDirect.com. [Click here to view their library of sympathy card templates.](#)
